

Adding additional accounts to your online account

Log in to online account

Click "Manage Profiles" – left side menu

Click "Add New Account" – right side middle section

Select an option - click "Add account from Perkins County Rural Water System Inc.)

Click "Next"

Enter Account Number – 05-xxxxxx-xx-x (top)

Enter Last Name on the account (top)

Scroll down and click "Search" button

Click the "check" box on the right side next to the correct account

Click "Next"

Click "Confirm"

You must do this for each additional account. If you would like assistance, please contact our office.
