August 2020 Newsletter

According to the Rules and Regulations of PCRWS, consumers are responsible for keeping all meter pits protected and accessible at all times. This is pursuant to:

Rules and Regulations 2007

8.00 CONSUMERS RESPONSIBILITY:

8.01 The consumers meter shall be unobstructed and accessible at all times for reading.

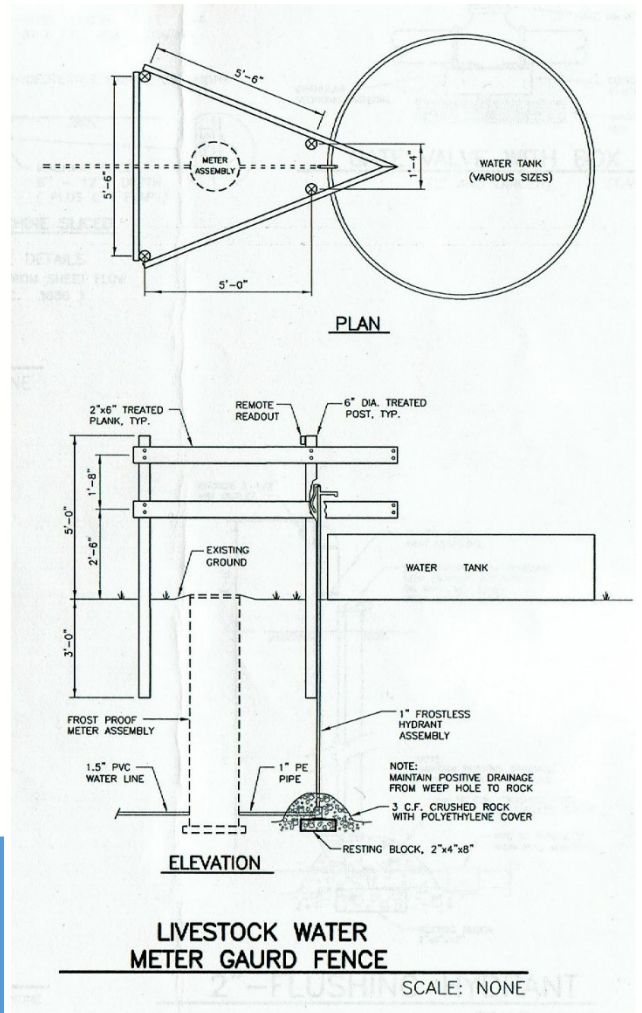

8.04 The consumer shall guarantee proper protection for The System's property placed on the consumer's premises and shall permit access to it only by authorized representative of the System.

The full Rules & Regulations of PCRWS can be found on our website www.pcrws.com and a copy can be requested from our office.

This image is what minimum property protection of your meter pit should look like:

If you have any additional questions, please contact our office at 605-244-5608.

Please complete the portion below and return it with your payment. We will use this information in our new billing software. We will be able to text and email messages directly from the new billing software. This information can also be updated on our website, www.pcrws.com — "Customer Information Update" tab.

Please update your contact information and/or Auto-pay information for our upcoming software change:
